AGENDA NO. 1
ENROLLMENT TARGET & ACHIEVEMENT PLAN

Enrollment Baseline	Target	Target Achieved	Remaining/Difference	Remarks
398	123	23	100	Due to Low Populated area Enrollment is Increasing Slowly

ACHIEVEMENT PLAN

- ✓ Door-to-door awareness campaign conducted using a motorcycle with a rechargeable speaker; activity video shared on the school's Facebook page.
- ✓ Plan to continue this activity regularly 2–3 times per month to improve enrollment.
- ✓ Announcements made in mosques by requesting Imam and Khateeb; special announcements also delivered in Friday sermons.
- ✓ Strengthening direct parent contact through effective door-to-door visits for maximum enrollment.
- ✓ Arrangement of an “Open Day / Admission Camp” to inform parents about school facilities and attract new admissions.

**AGENDA NO. 2
WRITTEN REPORT OF ENROLLMENT TARGET**

The school is situated in a low-populated area, which directly affects the pace of enrollment growth. Most families in the locality tend to withdraw their children after completion of 8th class, and convincing them to continue education at higher levels is quite challenging. Due to these socio-cultural factors, achieving enrollment targets requires continuous effort and awareness campaigns. However, despite these challenges, the school is making steady progress, and enrollment is increasing gradually.

AGENDA NO. 5

MATRIC TECH INFORMATION CERTIFICATE

(Regarding Combination Group / Strength with Availability of Lab Category)

It is certified that no student is currently enrolled in the Matric Tech stream in this institution. Therefore, there is no strength of students in any Matric Technical group at present.

Furthermore, it is stated that the school does not have any functional laboratory facility required for Matric Tech subjects. The absence of laboratory infrastructure is a major constraint in offering and promoting technical education in the institution.

There is a strong and immediate need for establishing a properly equipped laboratory so that students may be encouraged to opt for Matric Tech and acquire practical technical skills.

This certificate is issued for official record and necessary action.
